ANNUAL RESEARCH DAY 2024

2 May 2024

**Golmedex Hall
C Block,3rd Floor,
GMC, Kottayam**

Dear Colleagues and students

The first research day of our institution was conducted on 17th June 2023 along with National Training on GCP, Regulatory Guidelines and Grant Writing in Clinical Research

This year we are conducting the Annual Research Day of our institution on 2nd May 2024. On this day, let us gain better insights into translational research through the special invited talk. We can also clear our doubts on various aspects of research and various research bodies like Institutional Review Board(IRB), Institutional Research Committee(IRC) and MRU(Multidisciplinary Research Unit) by attending the panel discussion.

We are inviting the medical undergraduates, interns and residents of our institution to present their original research works. The faculty of our institution can submit their published original research works for Best Paper Award.

Organising Chairperson
Dr S P Dhanya, Prof(CAP), Pharmacology

Organising Secretary
Dr Keerthi K, Assistant Prof, Pediatrics

Student Representatives
Mr Akash Anand, 2021 MBBS
Mr Mohammed Aasif, 2021 MBBS
